

HOUSE KIT • CORNHOLE

How this yard scores

Agree before the first bag.
The phone is the scoreboard — trust it, don't fight it.

01 Classic to 21

First team to 21 wins. Play it straight unless the house calls a variant.

02 Cancel scoring (optional)

Same-round points can cancel — house choice. Say it out loud before anyone throws.

03 Two phones, one game

One phone hosts at this end. One joins at the other. Both see the live board — no passing.

04 Scan the wall

Wall QR starts the night. Staff passcode is on the private card — not on the wall.

05 Names on the yard

End the game in-app so winners land on the house ladder. Bragging rights optional. Respect required.
