

Drawer · not a sales call

HOST · KEEP IN DRAWER

Run a night in 5 steps

You already own the boards. We brought the scoreboard — gift, not a sales call.

1 Hang the plaque

Board wall or near the lanes. Big QR faces the room — under 60 seconds to first game.

2 Staff unlock once

Use the private staff pass card in this box (not on the wall).

3 Players scan the wall

They hit *Score this board* — live scoring before the second round of drinks.

4 Two phones

One hosts the room. One joins. Both track the game — nobody passes a phone mid-throw.

5 End game → yard names

Winners land on the house ladder. Book a weekly throw — Tuesday works.

STAFF ONLY · DO NOT POST ON WALL

Beta passcode is on the **Staff Pass** card. Whisper it if the gate asks. Players who already unlocked skip next time.
